

Presentation Guidelines

Student presenters are reminded to

Label their presentation “FirstNameLastNamePresentation”

The presentation must be in the form of Microsoft PPT or Adobe PDF document.

Save the presentation to an IBM-compatible thumb drive and plug into available PC-based equipment with that thumb drive.

Bring back-up media.

Embed any video, or other presentation developed through other software, into PowerPoint. Any video used in presentations must be sent to the JSHS National Office for approval prior to the competition. If using video, students must comply with the following ground rules

- The video component cannot make up more than one (1) minute of the presentation and must be directly relevant to the project.
- No audio or background music is permitted other than sounds that are an integral part of the research. Recorded or mechanically produced narration is not permitted. Narration must come from the speaker.
- Videos (and audio, if any) may be used only for those aspects of the presentation that
