

In the September Campus Pulse (9/16-9/27), students left 490 comments about _____, with some of the most common themes being:

1) Social Connections and Friendships

- "Made friendships and support system for the classes I'm taking."

" Trying to keep up and balance/juggle student life."

" Time management and having to wake up at 6:00 am to get to class."

4. Academic challenges

" The amount of textbook reading for four classes has always been hard for me."

" Assignments due almost every day."

" The work and how it is overwhelming a lot of times."

" The material is tough and moves really fast."
