

# GIULIA TOGATO, PhD

## FOUNDER, PI AND HEAD

My educational, teaching, and research trajectories are fully interdisciplinary.

### Education:

- **BA** in Translation, Interpreting, and Intercultural Mediation (University of Bologna, Italy)
- **MA** in Translation and Interpreting (University of Granada, Spain)
- **MS** in Cognitive and Behavioral Neuroscience (University of Granada, Spain)
- **PhD** in Cognitive and Behavioral Neuroscience (University of Granada, Spain)

I have worked as a researcher at the University of Granada (Spain), and as a professor and researcher at Pennsylvania State University (USA) and California State University Long Beach (USA).

### Research:

My research focuses on profiling untrained *versus* trained bilinguals (i.e., translators and interpreters) through the perspective of cognitive psychology. I am the founder and PI of the **CoHaBiT PsyLing Lab (PsychoLinguistic Lab in Cognverss**
