

2025 CNSM Outstanding Thesis Awards

Celebrate the 76th Commencement

M.S. theses completed and submitted for acceptance to the library by established deadlines for degree completion in August 2024, December 2024, January 2025, or May 2025 are eligible for consideration for the Outstanding Thesis Award in their major department. CNSM recognizes up to six (one possible in each department) truly outstanding theses. Outstanding Theses are nominated by graduate thesis advisors.

Deadlines

- Advisor nominations due to department offices: **Monday, March 3, 2025.**
- Department recommendation due to the CNSM College Office: **Monday, March 17, 2025.**

Criteria

- Quality of presentation - appearance, format, style, language, clarity, etc.
- Quality of research - scientific methodology, likelihood of publication (i.e., presentation at professional conference, manuscript submitted for publication, etc.)

Directions

Nominees/Nominators: By Monday, March 3, 2025, send an email **from your @csulb.edu email address** to your respective major department (see [CNSM Commencement Awards](#) for department email addresses) with the following information in the body of the email:

1. *Full Name*
