

*****IMPORTANT NOTE TO CTC REVIEW TEAM*****

The Education Specialist Credential Program is currently in transition to the new program standards. The current course sequence can be found on the ESCP Website for both the [Traditional Pathway](#) and the [Intern Pathway](#). Below is the course sequence for the program beginning in Fall 2022.

The Education Specialist Credential Program is a self-paced program allowing candidates to attend full or part-time. Below is the suggested course sequence, however, upon program admission, candidates must attend mandatory advisement where they will work with program faculty to create their Individualized Program Advisement Plan.

Semester 1 Pre-Requisites (6 units)

EDSP 410 - Equity in Special Education (3)

EDSP 454 - Academic & Language Development
