Adding Authorizations to a
Single Subject Credential

! classrooms are generally found in middle, junior high, or high schools, where one teacher is assigned to teach one subject area(s) to multiple groups of students. If you are interested in teaching in a nother subject matter area and/or interested in obtaining a Multiple S ubject Credential to teach in a self-contained classroom, the following added authorizations are available:

Introductory Supplementary Authorizations are added to a Single Subject credential, and are based upon 20 (or 10 upper-division) semester units of coursework in a specific area, and authorize instruction in a departmentalized classroom in grades 9 and below. Specific
