Dear Colleague:

Each year we take the opportunity to remind all employees of the CSULB Research Foundation's Whistleblower Policy. In addition to being attached to this email, the complete policy, process and form is in the process of being posted on the Research Foundation website [www.foundation.csulb.edu](http://www.foundation.csulb.edu) under Forms/Human Resources. It is expected to be available on the website by the end of the day tomorrow.

Please let me know if you have any questions.
