Important - Direct deposits will be stopped/started on the next available payroll unless otherwise specified. New deposits typically require that the first pay period following initiation be considered a "pre-notification" run to make sure the account information is correct. Therefore, that pay period will result in a paper check being cut. If the "pre-notification" deposit is successful, the second pay period following initiation will go directly into your account(s) listed below. If you have multiple direct deposits, please be sure to list the accounts you would like cancelled separately (accounts not listed will not be cancelled).

If you are changing banks or accounts, you must complete this form to stop deposits from going to your old bank/account and complete a new Direct Deposit Form to start direct deposit with your new bank/account. Inactive employment of ninety (90) days will result in automatic cancellation of your direct deposit.
