

CALIFORNIA STATE UNIVERSITY, LONG BEACH

Procedures for Grant-Related/Specially Funded Instructional Faculty Appointment

Preamble

Grant-Related/Specially Funded Instructional Faculty (GRIF) appointments allow California State University, Long Beach (CSULB) to recognize outstanding externally supported achievements with enhanced salary from non-state resources during the period of the GRIF appointment. The purpose of the Procedures for Grant-Related/Specially Funded Instructional Faculty Appointment is to establish the means by which instructional faculty engaged in substantial externally funded activity can be granted a GRIF classification.

Definition

The Grant-Related/Specially Funded Instructional Faculty (GRIF) member is a California State University, Long Beach instructional faculty member. GRIF members will be appointed to a non-permanent academic year or annual GRIF classification. The classification can be awarded to faculty involved in grant-funded faculty assignments as well as faculty assignments funded by gifts and bequests or by Foundation allocations. The GRIF classifications provide for additional salary at a range specified by the Faculty Collective Bargaining Agreement.

General Provisions

x "Grant-

The letter of application and the recommendation from the Department Chair are reviewed by the Dean. The Dean submits a letter of recommendation to the Provost that confirms the identified sources of funding and, if the Dean supports the appointment, he/she specifies the needed GRIF salary differential. The Dean is responsible for obtaining written confirmation that the faculty member has sufficient external support to cover all costs. That confirmation should be obtained from the Office of Research and External Support when GRIF is funded by grants and ~~contracts~~ from the Foundation Office when GRIF is funded by gms a(d)15(he)qu5(h)11(e)]TJ 0 -7
