

Data Fellows Research Impact

CHHS Advising Center • AY 2018-2019

The following is a list of changes/action items that the CHHS Advising Center has implemented in the past academic year, in full or in part as a result of the research of the CHHS Student Success Committee and Data Fellows Research Team

Freshman Advising Workshops

- Incorporated career and major exploration online resources into workshops
- Reviewed Career Development Center resources available, as well as O*Net
- Created major-specific resources for impacted majors, including guiding students to resources and help them create alternate plans if they are unable to declare their intended major
- Created a resource guide for students to reference at any time

Targeted Outreach Campaigns

- Outreached and scheduled appointments with students who are at risk of not declaring into their intended majors
- Outreached to students on probation or at risk of being on probation
- Continued outreach to new transfers and newly declared majors for graduation planning appointments
